

PRODUCT WARRANTY CERTIFICATE

Five (5) Year Limited Product Warranty:

Subject to the exclusions contained below, H.R. Solar Solution Pvt. Ltd. (“HR Solar”) warrants to the original buyer (the “Buyer”) that the modules shall be free from any material defects and workmanship that have an effect on module functionality under normal application, installation, use and service conditions as specified in HR Solar standard product documentation.

HR Solar guarantees that the module will maintain the mechanical integrity and stability in accordance with approved operation methods described in our installation instructions; the glass of a module will maintain its integrity provided there are no indications of localized impacts or external forces; and that the cable and connector plug of a module will remain safe and operational provided modules are professionally installed.

Any damages caused by abrasion, improper installation or animals are exempt from this warranty.

If during the Term of Warranty, the Module(s) is / are found to be having Manufacturing Defects, then HR Solar will, at its sole discretion either (i) repair, (ii) replace such Module with similar Module, (iii) refund the purchase price of the module without interest or any charge, as measured by considering 5% depreciation per year on original purchase price or the then prevailing price of similar Module whichever is lower, provided that the then prevailing price does not exceed the Original Sale Price at which HR Solar has sold the Product (iv) provide supplementary Module free of charge to the purchaser, for the balance Term of Warranty.

This limited warranty is only for the Product and does not warrant the level of power output. This warranty is subject to Warranty Exclusions and Limitations. Any color change on module or any other changes on module appearance does not represent defect in material and/or workmanship unless it affects the performance of the module.

Twenty Five (25) Years Limited Performance Warranty:

HR Solar guarantees that for a period of twenty-five years the module will maintain a performance as set forth below:

- 90% of rated power output for 10 years
- 80% of rated power output for the remaining 15 years

The actual power output of the module shall be determined for verification using Standard Testing Conditions only. The actual power output measurement is either carried out at HR Solar facility or by a HR Solar recognized 3rd party testing institute. Testing equipment tolerances will be applied to all actual power output measurements.

If the product fails to conform to this warranty, HR Solar will, at its option, either repair or replace the product, or provide an appropriate residual market value of the product(s) as compensation to the buyer.

Warranty Effective Date:

The warranty effective date shall be defined as the date of invoice to the buyer.

Exclusions:

1. In no event, shall HR Solar be liable, or in any way responsible, for damages or defects in the product which were caused by:
 - a) Repairs or attempted repairs performed by anyone other than the company or any of its authorized service agents
 - b) Exposure to extraordinary salt or chemical exposure
 - c) Flood, fire, direct or indirect lightning strikes
 - d) Improper installation, application or alteration
 - e) Any other act of nature which is beyond HR Solar control

2. Warranty claims will not apply if the product label, type or serial number of the applicable product has been altered, removed or made illegible.

Note:

Unless otherwise required by any mandatory applicable law, the limited warranties do not cover any transportation costs for return modules, or for reshipment of any repaired or replaced module, or any other cost associated with installation, removal or reinstallation of modules.
